

Sixty-five dollars a month.

That is the whole pitch. Flat monthly rate, month to month, cancel anytime. No quote visit, no salesperson in your driveway, no number that changes after we see the yard.

More than one dog?

Two dogs add \$10 a month to any plan. Three or more add \$10 to \$20 depending on the frequency. That is the entire surcharge table — there is not a longer one we are keeping back.

Not ready for a plan?

A one-time cleanup is \$100 flat, any yard, any condition, no plan required. Or start any plan and that first cleanup is free instead, however bad it has got out there.

What could change it?

A lot over 1/3 acre, more than three dogs, or a yard that has gone a very long time. We tell you the number before we start, never after.

INCLUDED AT EVERY PRICE ON THIS PAGE
