

YOUR NEIGHBOURHOOD

We are already on your street.

This is not a cold flyer. Somebody near you is on our route, which is the only reason we can quote your yard at the price on this page.

Same street, same day, same truck.

St. Louis & St. Charles County · Mon-Sat, 7am-6pm

WHY THAT MATTERS TO YOU

Density is the whole business.

The expensive part of this work is not the scooping, it is the driving. A yard on a street we already run costs us a few extra minutes; the same yard on its own across town costs us half an hour of road.

That difference is why the rate on this flyer is what it is. We are not discounting to win you — you are genuinely cheaper to serve than a house we would have to make a special trip for.

A fixed day

You get the same weekday every week, because that is how the route is built. No windows, no waiting in.

No gate access needed

We work the yard whether you are home or not. You get a text when it is done and the gate is latched.

Neighbours get \$20

Refer someone on your street and you both get \$20 off. It makes our route tighter, so we pay for it.

Nothing to sign

Month to month. Pause for a holiday or cancel with a week's notice, no conversation required.

TWICE WEEKLY

Get added to the run.

Tell us your street and how many dogs. If we are already there you will usually start the same week — and the first cleanup is free.

Rates are per month for one dog on a standard residential lot up to 1/3 acre. If you are just outside our service area, call anyway — if we already run a route nearby we will usually say yes.
