

WHO IS IN YOUR YARD

Run by dog people.

We are the team behind Max's K9 Club in Chesterfield — training, boarding and daycare.

The gate is the whole job.

Anybody can pick up a yard. What matters is that a stranger is opening the gate to a space your dog lives in, sometimes while you are at work. We know exactly what happens if a latch does not catch, and we check it every time.

EVERY VISIT, WITHOUT BEING ASKED
