

DOG WASTE REMOVAL

A yard you can walk barefoot in.

We come on the same day every week, clear every corner, and haul it away. You get a text when it is done and never think about it again.

First cleanup free with any plan

We scoop it. You enjoy it.

WHAT YOU ARE PAYING FOR

Not having to do it.

It is fifteen minutes a week you get back, and the part of the yard you have been avoiding since February. We walk the beds, the fence line and under the deck, not just the open lawn.

RUN BY DOG PEOPLE

Same crew, every week.

We are the team behind Max's K9 Club in Chesterfield — training, boarding and daycare. Your gate gets latched behind us because we know exactly what happens if it does not.
