DOG WASTE REMOVAL · ST. LOUIS & ST. CHARLES COUNTY

Four steps, then you stop thinking about it.

1

Pick your plan

Tell us how many dogs and how often you want us. Weekly, twice weekly, every other week or once a month — a flat monthly rate either way.

2

The first cleanup is free

With any residential plan, and **regardless of how long** it has been since the yard was last scooped. That part is not a teaser rate; it is the whole first visit.

3

We text on our way

You never have to be home. The same technician every visit, the whole yard walked rather than the obvious spots, and the **gate latch double-checked** on the way out.

4

Yard's clear

Everything is bagged and **hauled off your property** — never left in your own bin to sit until collection day. Then we text you that it is done.
